Phil Prospero proposed a light out by the signage on the road. Possibly a solar light to signal the entrance to the club. All in favor vote to look into the cost of a solar light.

Wally and Eric attended a CAUV meeting. This is a Forestry and conservation program. To join it will cost \$700 to have a forestry plan drawn up for the new property to support wildlife and forest conservation. This enables us access to grants for the new property. Grants are pay and reimburse order. Motion made by Bob Santicola and Seconded by Phil Prospero and all in favor vote to move on this.
