Phil Proserpi proposed a light out by the signage on the road. Possibly a solar light to signal the entrance to the club. All in favor vote to look into the cost of a solar light. Jenn will call AEP on this and see if we can have a light turned on over the signage. Wally turned over check from the tree cutters. Currently working on the property. Door code to be changed in May when new renewal cards go out.

Picnic Schedule for July 29th. We will have Brisket and decide the second meat closer to the date.
